

If outcomes are achieved, repayment of Maycomb Capital investment comes from Outcomes Fund.

How does this initiative get funded?

Funders and Payors

Mary Black Foundation, City of Spartanburg, TDE, BCBS Foundation, Spartanburg Regional (In-Kind), Spartanburg School District 7, SAM, SC DHEC, SC DHHS, SC First Steps, Spartanburg County Foundation, and ReGenesis Healthcare

In this Pay for Success model, some Funders provide upfront support, and others (Payors) agree to repay Maycomb if outcomes are achieved.

How does this initiative get funded?

Investor

Maycomb Capital

One investor, Maycomb Capital, invests money in the Community Outcomes Fund. Maycomb will be repaid, plus interest, by local Payors if outcomes are achieved.

Who coordinates this initiative?

Intermediary Partner

Institute for Childhood Success

Receives funds from Investor and local Funders, manages the Hello Family Operations Fund, and works directly with service providers.

Who works with the families?

Service Providers

BirthMatters, Family Connects at Spartanburg Regional, Triple P at Hope Center for Children, and Quality Counts

Four local service providers are funded to work directly with families to improve early childhood development outcomes.

Where is money from local Payors held?

Outcomes Fund

Spartanburg County Foundation

Money from Payors is held in escrow in Hello Family Fund at the Spartanburg County Foundation.

Who oversees this initiative?

Advisory Committee

City of Spartanburg, Institute for Child Success, Mary Black Foundation, and Maycomb Capital

Meet quarterly to discuss updates, review evaluation data, give feedback, and advise direction of the initiative.

Who do we know if the initiative is successful?

Evaluators

Urban Institute & Riley Institute at Furman

Collects and evaluates community health data and program data to determine if desired outcomes are achieved.
